The family is responsible for the full replacement cost of District-issued technology until they comply with the following conditions:

1. If District-issued technology is stolen, the student/family must have taken reasonable measures to secure the District-issued technology and must file a police report that the District-issued technology was stolen. If District-issued technology is stolen in school, administration will assist in filing the police report. Outside of school, it is the family's responsibility to obtain the police report and submit a copy to the school.
2. If District-issued technology is missing, the family/student should report it missing immediately so that district personnel can begin to track the device.
3. If the student withdraws, graduates, is suspended or expelled from the district, District-issued technology and all accessories must be returned on or before the student's last day of attendance at the school. District-issued technology must be returned in the condition it was issued.
4. District-issued technology lost due to student/family negligence are not covered by the insurance policy. The student must take reasonable measures to secure the District-issued technology.
 - *Examples of reasonable measures to secure technology include: in school, in a backpack, locked car, at home.*
 - *Examples of unreasonable measures to secure technology include: left unattended in a public place, lost with no idea where it was left, unlocked car.*
