Athletics 2020-2021

The year of flexibility, creativity and patience!

We are grateful that our student athletes have had the opportunity to compete this fall. We will work diligently to provide student athletes a winter season as well. We know that schedules can and will change with limited notice. To keep our season going we must have the cooperation of everyone following all safety protocols at every practice and competition.

We need and appreciate everyone's flexibility and patience as we venture into the start of basketball and wrestling.
