

2020-2021 Dodgeland Senior Wrestlers

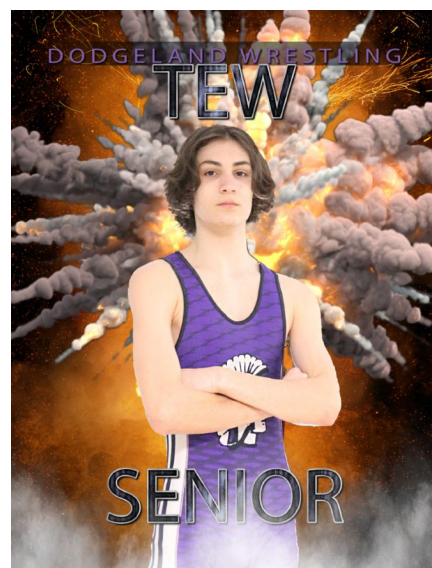

Andrew Benzing --- Andrew is a 4-year wrestler and multi-sport letter winner. Coach Burrow has known and coached Andrew since grade school. Andrew is a charismatic, out-spoken leader in the practice room and during events. Over the past three years Andrew's accomplishments include earning a conference championship, a Regional Championship and also being a State Qualifier. Had this been a "normal" season and year, the coaches are certain that Andrew would also have achieved his 100th match victory.

Jabin Tew --- Jabin is a 4-year wrestler and a multi sport athlete. Jabin has been a loyal and reliable partner, working hard with his teammates both in the practice room and the fitness center. He continues to grow in his experience and execution on the mat, leading to some career successes.
