FEBRUARY 2026

Hello Dodgeland Middle/High School Families and Happy February!

It is hard to believe we are already past the midway point of the school year! We are officially settling into the second semester here at Dodgeland Middle and High Schools.

While the winter break provided a wonderful opportunity to recharge with family and friends, there is an undeniable energy that returns when our halls are full of students again. From athletic victories to the completion of semester exams, this past month has been incredibly productive.

As we look ahead, the second semester brings a fresh wave of opportunities. Before we know it, we will be gathered to watch the Class of 2026 cross the graduation stage!

This month's update is packed with important information. I'd like to draw your attention specifically to our upcoming calendar dates and the **Dodgeland Exchange**—our new digital hub for referendum updates, newsletters, and all things Dodgeland.

I hope you all have a great February!

– Mr. Gischia

Junior Planning Conference 2026

What: Junior Planning Conference

When: February 11, 2026 at 6:00 p.m.

Where: IMC

The annual Junior Planning Conference is designed for juniors and their parents/guardians and focuses on preparing students for what's ahead after high school. During this informative evening, families will learn about upcoming college and career readiness opportunities and important next steps in the planning process.

What to Expect:

- Guidance on college and career planning
- Information about the ACT
- Senior year course planning

- Insights from representatives from both the four-year college system and the technical college system

The presentation will be led by Stephanie Buss, High School Counselor, along with college system representatives, to ensure families have clear, helpful information to support their student's future goals.

If you are unable to attend the event and would like to schedule an individual meeting, please contact Stephanie Buss at buss@dodgeland.k12.wi.us. Families who are unable to attend either the event or an individual meeting can be assured that the school counselor will meet with students in small groups to review the information presented, and the Junior Planning Conference folder will be sent home.

We look forward to partnering with you as we help students plan for a successful future!

Early College Credit Program and Start College Now Program

Wisconsin has two statewide dual enrollment programs: [Early College Credit Program \(ECCP\)](#) and [Start College Now Program \(SCN\)](#).

These programs are written into state law that prescribes very specific deadlines for students to notify their school that they intend to enroll:

- February 1st - notification for summer courses (**ECCP only**)
- March 1st - notification for fall courses
