Hang the issued Dodgeland School District parking permit **from the rearview mirror of your vehicle with the colored side facing the windshield**. The properly placed permit allows the above vehicle to be parked in the designated high school parking lot (**South Parking Lot only**) for the 2023-2024 school year. **Parking in the first row directly outside the high school entrance is reserved for staff and visitors.** The school reserves the right to revoke parking privileges for student drivers who violate laws with their vehicle, park in unauthorized places, act irresponsibly or dangerously while operating their vehicles, violates any school policies, or has outstanding obligations such as fees, fines, or detention time. The parking fee **will not** be reimbursed if privileges are revoked. If you lose your parking permit a \$5.00 replacement fee will be charged. There are no pro-rated fees for partial school year passes.

**\*\*\*PLEASE NOTE\*\*\*** State, county, and local law enforcement agencies will enforce traffic laws in effect in the jurisdictional area of the campus. These laws are assumed to be common knowledge and must be obeyed (Juneau City Ordinance 10.04.010 Pursuant to the provisions of 118.105, WI Statues). If you have your vehicle parked in the lot during school hours without a permit displayed properly you will be subject to a fine or towing at owner's expense.

Signature of this form also gives consent to school administrators to search the vehicle when "reasonable suspicion to believe the search will produce evidence of a violation of a particular law, a school rule or a condition that endangers the safety or health of the student driver or others."

**If your vehicle changes during the school year, please notify the office to make changes.  
I have read the above statement, understand and accept these terms:**
